

RECOGNIZING MIMI GARDNER  
GATES

**HON. JIM McDERMOTT**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 11, 2009*

Mr. McDERMOTT. Madam Speaker, today, I rise to offer special recognition of Mimi Gardner Gates on the occasion of her retirement as the Illsley Ball Nordstrom Director of the Seattle Art Museum. During her tenure, the Seattle Art Museum has become the premier art museum in the Pacific Northwest, distinguished by its splendid exhibitions and its commitment to the arts communities of our region. Under Mrs. Gates' leadership, the Seattle Art Museum has increased its endowment, its attendance, and its membership; it has diversified its board, staff, and audience; created a conservation department and studio; and added to its collections more than 6,500 works of art from a wide variety of cultures. And, thanks to Mimi Gates' vision and tireless effort, the Museum has created the Olympic Sculpture Park, a nationally and internationally acclaimed outdoor display that brings an exciting new dimension to Seattle's arts environment. Seattle and the entire Pacific Northwest region have benefited immeasurably from Mimi Gates' talent and dedication to public art, and I am privileged now to acknowledge her outstanding work and to thank her for her many years of exceptional service.

Mrs. Gates also has made considerable contributions to the arts in the classroom, and she has held leadership positions with several arts organizations. She served on the staff of the Yale University Art Gallery, where she currently is a member of the Governing Board, and is a fellow of the Yale Corporation. A past president of the Association of Art Museum Directors, she also chaired the Federal Indemnity panel at The National Endowment for the Arts, and served as a member of the Advisory Board of the Getty Leadership Institute. Mrs. Gates is also an adjunct faculty member in the Department of Art at the University of Washington, and she serves on the boards of directors of the Northwest African American Museum, the Greater Seattle YWCA, the Downtown Seattle Association, and Copper Canyon Press.

Madam Speaker, Mimi Gates has been an enormous asset to the Seattle arts and civic communities. The people of Seattle, including thousands of patrons, students, and professionals, are grateful for the guidance and leadership she has shown, and I join them in thanking Mrs. Gates for her service, and in wishing her the best in her future endeavors.

#### IN RECOGNITION OF THE 10TH ANNIVERSARY OF CAREER GEAR

**HON. JERROLD NADLER**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 11, 2009*

Mr. NADLER of New York. Madam Speaker, I rise today in recognition of Career Gear. In June of 2009, Career Gear is celebrating its 10th Anniversary by hosting its Capital PerSuit Awards Dinner in New York, NY.

Career Gear, a grassroots 501(c)(3) non-profit organization, was founded in New York City in 1998 to promote the gainful employment and self-sufficiency of disadvantaged men who are actively seeking employment. The organization began with the goal of providing appropriate business clothing for those seeking jobs and has grown to provide services and resources that help clients retain employment and advance in the workplace.

Once employed, a client is encouraged to participate in an alumni program that is designed to provide peer support and networking opportunities to others in need. This program affects other non-employment issues like budgeting and financial management, emotional coping skills, as well as family and child support. All of these matters impact an individual's ability to remain employed.

Over the past 10 years, Career Gear has provided clients with assistance in starting a new chapter of their lives. The success over the past decade is evident by the fact that through the good work of Career Gear, 18,000 men have reentered the workforce with a renewed sense of confidence and have become self-sufficient members of their communities. It is for this attitude of empowerment that I rise today and commend Career Gear.
